Data Source

Ontario Mental Health Reporting System (OMHRS)

Registered Persons Database (RPDB)

Discharge Abstract Database (DAD)

Data provided to HQO by

Institute for Clinical Evaluative Sciences (ICES)

Reported Levels of comparability /stratifications (defined)

Time

Age

Income

Rurality

Region

Sex

OTHER RELEVANT INFORMATION

Caveats and Limitations

Individuals can be admitted to hospital more than once for the treatment of a mental illness, and they can have more than 1 condition at a given time. Hospitalization data, therefore, does not represent either the number of mental illnesses that led to the hospitalizations.
